MOCK INTERNAL DOCUMENT - Northstar Instruments supplier agreement.

Contract CSI-003 version v3 is active from 2026-01-01 through 2027-12-31.

Cirrus Silicon supplies the CXR-900 advanced accelerator exclusively for Helios Edge.

Supplier must notify Northstar within five business days of any export-control classification change.

Pricing and delivery commitments are subject to applicable export laws; Legal must review classification questions.
