MOCK INTERNAL DOCUMENT - PROCUREMENT AND INVENTORY NOTE.

At the 2026-08-11 review, Northstar Reno, Nevada holds 45 days of CXR-900 accelerator inventory for Helios Edge.

The inventory estimate assumes the current production schedule and does not guarantee future supplier deliveries.

Beacon Gateway has 30 days of Lumen Foundry controller inventory; Aurora Array has 52 days.

Procurement should verify committed orders and current stock before making operational changes.
